

FROM THE PASTOR

As we prepare for transition at Our Saviors, the gospel lessons of Mark seem timely and insightful. During our first Sunday together, September 1st, we will read from the 7th chapter of Mark: Jesus confronting the Pharisees and scribes about their obsession with rituals and traditions. Their fixation was not on the substance of the law but on the outward signs that they believed would make them righteous before God. They had elevated human traditions over divine commandments, missing the heart of what it means to truly worship and follow God.

Jesus reminds us that it's not the external acts but the internal condition of our hearts that matters. This teaching challenges us to look beyond the surface and consider what truly defines our relationship with God and with one another.

Our Mission Statement: Living Out the Heart of Faith

Our mission at Our Savior's Lutheran Church is clear: we are called by the Holy Spirit to share the Gospel through Word and Sacrament, to serve those in need, and to offer enriching opportunities for spiritual growth and exploration. These core activities—Education, Worship, and Service—reflect the heart of faith.

Education: Transforming Hearts

Education is not just about imparting knowledge; it's about transforming hearts. When we engage in learning, we are called to delve into the Scriptures and grow in our understanding of God's will. This growth helps us to align our hearts with God's commands rather than sticking to human traditions. Education equips us to live out our faith genuinely and authentically, as we discern the truth and apply it to our lives.

Worship: Heartfelt Connection

Worship is where we come together to honor God, not just with our lips but with our hearts. True worship involves more than ritualistic practices; it requires us to be fully present and engaged, allowing our hearts to be touched and transformed by God's grace. In worship, we open ourselves to the transformative power of the Holy Spirit, fostering a deeper connection with God and with one another.

Service: Manifesting Faith

Service is the tangible expression of our faith. It's not about performing acts to be seen by others but about serving with a heart full of love and compassion. Jesus teaches us that the essence of defilement comes from within, and so our service flows from a heart that is renewed and transformed by God's love. By serving those in need, we embody the Gospel and extend God's grace into the world.

We pray: We come before You with hearts full of gratitude for the mission You have entrusted to us at Our Savior's Lutheran Church. We thank You for the gift of the Holy Spirit, who guides us in our calling to share the Gospel through Word and Sacrament. Help us to be faithful witnesses of Your love and grace, always seeking to proclaim Your truth with clarity and compassion.

We entrust this mission to Your care, knowing that it is by Your strength and grace that we can fulfill it. Empower us with Your Spirit and lead us to be a beacon of Your light in the world.

In the name of Jesus Christ, our Lord and Savior.

Amen

Supporting the Strottmans

We recently found out that the Benevity Portal is not going to work for us as we had hoped. They will not match the funds we donate for the Strottmans. We are sorry for any confusion. The Strottmans have received all donations made for them at this time and it has been greatly appreciated. If anyone would still like to offer monetary support, it would still benefit them as medical costs do continue for Leslie though she is now in the maintenance phase of her treatment. You can give donations directly to them, give thru your church offering designating amount for the Strottmans or go to their GO FUND ME page. Here is the link for that

You're Invited to this Special Event!

Please feel free to share this information with others.

World Hunger Month

At the Synod Assembly in May a resolution was passed that stated – “Congregations are encouraged to designate a Sunday or month in 2024 to celebrate the 50th anniversary of ELCA World Hunger by encouraging congregations, households, and/or individuals to make a gift of \$50 or more to ELCA World Hunger.”

The Council has approved the suggested motion that September be the month that Our Savior's will encourage donations to ELCA World Hunger. We will accept any contributions from individuals, use funds collected in the Noisy Offering on September 22nd and use \$50 from the Love Fund to send to ELCA World Hunger in October.

If you have any interest in helping to celebrate the 50 years ELCA has supported World Hunger, please add your donations to your offering during September. Or you may also just contribute to the Noisy Offering on September 22nd, knowing that those funds collected will be sent to the ELCA for World Hunger.

Phil and Andy's Pantry

The month of October, we will be collecting canned fruits. That will include such fruits as peaches, pears, pineapple, apples, apple sauce, fruit cocktail and apricots. Next time you are at the grocery store perhaps get a couple or more cans to help fill Phil and Andy's cart.

Backpack Blessing There was great participation for our Back Pack Blessing on Sunday, August 25th. All ages were in attendance and everyone got a "backpack blessing tag" to attach to their backpack so they can remember that even when the days are long and the studies hard God is with them in all that they do.

Shoe Update - The Final Step

Tom Zuber got his monthly newsletter from "His Hands" and they had this article about their shoe collection.

Over 50 volunteers showed up at Westminster Presbyterian Church on Friday, August 16 to move 21,700 pairs of shoes from two rooms in the church onto a semi destined for Orlando, Florida and then to people in need in 3rd world countries overseas. This was the final step in His Hands Clinic's quest to raise funds, keep shoes out of our landfill, and help the less fortunate - a win, win, win scenario! It took just over 3 hours as they utilized a "bucket brigade line" and got it done! HUGE THANKS to Hope CDA, a bunch of Kennedy football players, and numerous others for showing up. Mission Accomplished!

****Note:** We collected a total of 24k+ pairs of shoes, however, many are staying in our community to help those in need of quality shoes.

New Church Directory

The Geuder girls (Sheryl Payton and Sue Clapp) have offered to develop a new church directory with potential financial support from memorial funds or individual donations. Sheryl works as a graphic designer and has experience with assembling programs and booklets.

In the next few months, they will be asking for your information such as names, address, phone numbers and email addresses – basically anything you wish to be published for our church members only. There will also be opportunities to have your family pictures taken at church. You may choose to send in your own family picture – either one recently taken professionally or just from a phone camera. If you prefer, you may submit your contact information and not have a picture included.

More details will be coming but this is the perfect time to get a new directory. The last one was done in 2014 and now we have a new Pastor, along with many congregation changes.

Feel free to contact Sue with any questions or concerns.

Assisting Ministers Needed!!

Have you ever thought about being an Assisting Minister but didn't think it was possible because you didn't (or couldn't) sing the liturgy?? There are other options. . . the liturgy does NOT have to be sung – it can be read!! Parish & Staff is looking for volunteers to join the Assisting Minister Ministry. If you have any interest at all – do not be shy!! You can contact any of our current assisting ministers - Hannah, Jeremiah, or Nancy - they would be happy to give you any details or feel free to talk to Marcia Adix or Ann Larson from Parish & Staff. Thank you!

Save the Date - God's Work. Our Hands. Sunday, September 8, 2024

Mark your calendar for Sunday, Sept. 8, when congregations of the ELCA will join together for our annual day of service, “God’s work. Our hands.” Participating in service projects is one way to celebrate who we are as the ELCA — one church, freed in Christ to serve and love our neighbor. Laurie Strottman suggested that “God’s Work Our Hands” be a campaign for the University of Iowa Children’s Hospital this year. They have BINGO on Sunday afternoon for the patients and give out prizes for winners. They are lacking on prizes for preteens and teens (see below for a list of ideas). Please bring your donations to church by Sunday, September 8th. Strottman’s will deliver our donations to the hospital for us!! This project is so very near and dear to our hearts since Leslie has spent so much time at the University of Iowa Children’s Hospital this past year and we know they have been so influential in Leslie’s recovery!

Farewell to Pastor Cindy

Sunday August 25th was Pastor Cindy’s last Sunday with us at Our Savior’s. It is amazing that she has been with us for almost two years! She has been a blessing as she put all of us at ease and helped us through the transition as we assembled our Call Committee and went through the steps to get us where we are today in looking forward to our first Sunday and next journey with Pastor Bunny. We wish her the best in all of her future endeavors!! Thank you for all you have done for Our Savior’s Pastor Cindy!!
